Read the following opinions about watching movies

Going to the cinema is one of my favorite hobbies. I've been going to the movies since I was a little girl. Back then I used to go with my parents and my brother. We used to watch all Walt Disney movies. Now I usually go to the cinema with my friends. We like to watch romantic comedies and fantasy movies. Going to the cinema is fantastic, I wish I could go more often, but I'm only allowed to go on weekends because of school.

Sarah, 16, London

I'm not really a big fan of going to the cinema. I like movies, but I don't like the idea of being in a room with a lot of strange people to see a movie. I prefer staying at home, invite some friends over and rent a DVD. I actually do that quite a lot. I make a big bowl of popcorn, put some pillows on the floor and we're all set for movies night. To decide what to watch we usually vote, then instead of going home they all sleep over and we talk, listen to music and dance a lot. It's very cool! Isn't it better than going to the cinema!?

Katy, 15, Oxford

I like going to the movies. I usually go with my friends and sometimes with my girlfriend. I love my girlfriend, but I really don't like going to the cinema with her.....I prefer going with my friends. Why? Well, because they like the same kind of movies as me. We love watching adventure movies or scary movies. When I go with my girlfriend we only watch musicals or comedies.....boring!

Jack, 16, Birmingham

Answer the following questions with TRUE or FALSE

When Sarah was a child she didn't go to the cinema.

Her brother usually goes with her to the cinema.

Sarah wants to go to the cinema more often.

Sarah is allowed to go to the cinema on Wednesday.
